“HONOR”
Constructed by Patti
For Express Marine in 2007

Patti Marine Enterprises is the location where the legendary “Patti Built” crews have built many landmark vessels since 1977. We are still family owned on the banks of Bayou Chico, in Pensacola, Florida. In the 35 years to date, many high-end quality vessels have been constructed, operating in nearly every waterway of the U.S.

The list includes:

- Inland river tugs to Ocean ATB tug
- Machinery Barges to accommodation galley barges
- Dinner Excursion vessels to inland river gambling vessels
- Vehicle Ferries to Passenger Ferries
- King Crabbers
- Dredge Clammers
- Shrimp Trawlers
- Combination Fish Trawlers
- Factory state of the art, long-line fishing vessels
- Aluminum charter fishing boats

“Patti Built” vessels have been the recipient of many awards and nominations. Most notable is the “Most Significant Vessel Award” from Workboat magazine.

“WARHORSE”

**10,000 Horsepower
Ocean Tug
Harvey Gulf International
Significant Vessel Award
2002**

“FREEDOM”

**6,000 Horsepower
Ocean Tug
Express Marine
Camden, NJ
Significant Vessel Award
2010**

“TAGGATZ”

**160' Quarters Barge
ACOE
St. Paul, MN District
Significant Vessel Award
2008**

The “Patti Built” crews have built more vessels for the U.S. Army Corps of Engineers than any other shipyard in a 20 year span. Patti’s was also recognized by the Corps for the highest honor, “The Outstanding Civilian Service Award”, the first for any shipyard.

**“ROCK ISLAND” 65' Towboat for Rock Island, IL
Nominated for Significant Vessel Award 2011**

“Patti Built” crews have a distinguished history of firsts in the shipbuilding industry. Most notables include:

The Dubuque “CASINO BELLE”

The nation’s first riverboat gambling vessel.

East St. Louis “CASINO QUEEN”

The largest gambling vessel built at the time.

4,000 passenger, 850 slot machines, 7 bars, 3 elevators, triple screw and 4 thrusters

**The vessel currently under construction is the 180' BERING DEFENDER for Global
Seas International.**

Departs for Alaska: June 2012
